As a nice gesture to our hardworking servers, there will be an 18% gratuity added to parties of 6 or more, which we are always more than happy to accommodate. The more the merrier!

Much of our cuisine is uniquely cooked in 316 grade, the only material which does not leech metals into food, preserving the purest, safest food, and locking in maximum nutrients and flavor. If you are interested in this process, please ask a manager, or contact [www.healthycookingoftexas.com](http://www.healthycookingoftexas.com) to enjoy a free dinner on them and learn more about this unique process (cooking healthier, faster, and tastier)!

\*Legal Voodoo: We have to let you know, even though we will cook hamburgers however you like, consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of food borne illness and may be dangerous to your overall health. Cheers!
